# Consulting Services and Classroom Rentals

Integrated Digital Technologies offers a wide range of solutions to meet the most demanding tasks in the IT industry. IDT can help your organization find the right solution under one roof. Our certified staff and key IT partners in the various IT technologies allow us to provide optimal service at affordable market prices. Our ability to assess a problem and come up with a solution is our core competency and one that your organization will benefit to complete the proposed task.

Since 1995, we have provided our services to thousands of organizations. We want you to take advantage of our expertise and our talented IT professionals. Our team is ready to help you with your next project. Below, you will find some of the areas that we concentrate on. From Network Design and Implementation to IT Training, from Web Development to Programming, from Managed Services to Technical Support and Staffing. We will make all our resources available to you so that you and your organization succeed.

## Network and Apps Support

### Onsite/Oncall Support

- Scheduled Visits
- Problem Resolution
- Preventive Maintenance
- Project Implementation
- Technical Support
- Remote Phone Support
- Help Desk and Problem Tracking

### Remote Monitoring

- 24x7x365 Support
- Problem Analysis
- Resolution and Escalation
- Certified Engineers

### LAN/WAN Assessment

- Audit and Inventory
- Gap Analysis
- Document Findings
- Recommendations
- Asset Management

## eBusiness

### Web Design/Development

- Prototype Design and Logo Design
- Web Hosting
- Development and Testing
- Customization and eCommerce
- Flash Design

### Web Maintenance and Support

- Content Management
- Advanced Programming
- 24x7x365 Monitoring and Support

### Web Marketing

- SEO, SEM and Pay per Click
- Web Analytics
- Email Marketing
- Merchant Services
- Email Hosting
- Social Network and RSS feeds
- Video, Blogs, Forums, Affiliate

## Programming

### Custom Development

- Most Programming Languages
- Most Platforms
- API Customization
- Standardization of Applications
- Full Integration

### Software Evaluation and Implementation

- Requirements Definition
- Requirements Prioritization
- Gap Analysis and Evaluation

### Application Maintenance and Support

- Redesign and Optimization
- Support Plans
- Programming Support
- Documentation
- Project Development Management

## Security and Exchange

### Security Assessment

- Intrusion Detection
- Penetration Testing, Ethical Hacking

### Exchange

- On Premises and/or Hosted
- Outlook Implementation

## Databases and SharePoint

### Databases

- MS SQL 2008, Oracle, MySQL
- Design and Implementation
- Integration

### SharePoint

- Plan, Design and Implementation

## Cloud and Virtualization

### Office 365

- Windows Azure
- Lynch
- VMware
- HyperV
- Storage

## CRM / Accounting Software

- Microsoft CRM
- Great Plains Accounting
- Quickbooks and Peachtree

## Servers/Operating Systems

### MS Windows Server 2008

- Plan, Design and Implementation
- Upgrades, Installations

### MS Windows 7

- Rollouts
- System Center and Unified Message

## Hardware and Software

### Licensing and Sales

- Most Software Vendors
- Most Hardware Vendors

Others: Cabling, Telephony, Routing and Switching, SAN, Firewalls, Collocation, etc

## Classroom Rentals

# IDTGuarantee

## Satisfaction Guarantee

We are committed to you and your investment in our training courses; this is why we want to make sure that you are totally satisfied while attending our courses. Bringing you the highest quality learning experience possible is not only our ultimate goal, but our commitment. We want your repeat business and your success; this is the reason why we would like to provide you in writing the following guarantees:

## Corporate Resource Guarantee

We want to protect your investment in training. If a company-sponsored student leaves the company within one year of attending an IDT public course, you may send another employee to the same course, on a space available basis and as long as that course is still active, for just the cost of the material. Some restrictions apply.

## Course Retake Lifetime Guarantee

As long as the same course is available, you or your employee may retake the same course at no charge, on a space available basis and as long as the course is still active. If the course had a version upgrade you would only need to purchase new courseware and pay any additional lab charges that may apply.

## Version Upgrade Guarantee

Version Upgrades are expected in the IT industry, this is why we want to assure that you get the best out of your investment in training. We are ready to provide you with substantial discounts if any course your employee attends is upgraded within 9 months. The revised course will be discounted, based on the amount of time elapsed since the first attend, as follows: 0-3 months, 90% discount, 4-6 months, 60% discount, 7-9 months, 30% discount.

If we ever fail to meet your expectations please contact our Management and they will make sure that any concerns are addressed. We want every attempt possible to meet and beat your highest expectations.

## Top Reasons to choose IDT:

- Free Retake policy for most courses \*
  - On-site testing through Prometric or Vue \*
  - Authorized Learning Partner for most IT vendors
  - Certified Instructors with real world experience
  - Certifications Recognized by the IT Industry
  - Learning Labs and study areas to enhance learning
  - Free Technical Events/Seminars to keep up with current IT trends and new technologies
  - Certification testing preparation
  - Job Placement and Career Counseling Services
  - Quality Content/ Official Curriculum \*
  - Flexible Learning Modalities (instructor-led, e-learning, distance, mentored learning)
  - Skills Assessments and Competency Maps
  - Student Support Services (financial assistance and advisors knowledgeable in IT)
  - Convenient Local offices
  - Veteran and GI Bill training supported
  - State of the Art Equipment
  - Morning, Evening and Weekend schedules
  - Licensed by the State of California
  - Certificate upon completion of each course and program
  - Free parking \*
  - and many more...
- \* Some restrictions apply.

## IDTLive

IDT is proud to introduce its online instructor-led platform that provides a solution to remote students to take instructor-led courses facilitated via conferencing, collaboration and methodologies that concentrate on blending traditional classroom instruction with new online delivery technologies. The main focus of this technology is to provide the same traditional classroom experience to our online students. Through the utilization of virtual meeting, conferencing, hands-on labs and video tools, student now have the ability to participate on a remote class session just like if they were in the class themselves.

The benefits associated with the use of this platform are:

Anywhere, anytime, you can now take classes remotely with the peace of mind that you are using the same world-class instructors that you would use if you attend an instructor-led class without compromising the quality of the delivery.

### Benefits

- Same experience as instructor-led classes
- Anywhere, any place attendance
- Travel / Time and Hotel Savings
- Minimal broadband to attend
- Maximum hands-on experience
- Virtual Collaboration
- Select most comfortable environment for you (home, office or a hybrid setting)

## IDTRewards

IDT is proud to introduce to our client a very innovative and progressive Rewards Loyalty program.

This is a way of thanking our clients for their continuous business. This new tool allows our client to get rewarded for their spending and at the same time take advantage of premium events and offerings either totally free or discounted rates. We want you to take advantage of events, coupons, raffles, referrals, sweepstakes, discount purchasing and much more.

This is a site that you may want to keep visiting. We want you to take full advantage of every single way of earning with us. We value your business and want to keep in touch with you. Membership is free. Start earning points and enjoy the benefits of this program. See rules and conditions for participation listed on the site. Free Membership at <http://www.idtrewards.com>.

### Main Features

- Earn, Redeem, Shop
- Events, Referral, Coupons, Discounted Vouchers
- Prizes, Sweepstakes
- Seminars, Webinars, Hands-on Labs
- Point Tracking, ecommerce Benefits
- Client awareness via Event Participation
- Increase Knowledge of products
- Keep Client in the Loop
- Earn points by being our client
- Latest gadgets and IT trends at this site

## IDTEvents

Get the latest information on IT technologies that you may want to implement in the near future. IDT events are composed of several components geared to help you or your organization gain knowledge on products. Experience the product before investing or enhancing your knowledge on

### Events

- Conferences highlighting various topics
- Seminars in most current IT technologies
- Webinars
- Hands-on Labs - Get a chance to try new products
- Meetings
- Prototyping - available upon request
- Miscellaneous Sponsored Events

areas that are critical to future companies' rollout or implementations. Learn from experienced trainers and consultants the do's and the don't's, best practices, shortcuts and proven paths that will make your next implementation a success. Keeping you educated is our goal to your project success.

## Alumni Testimonials:

"The only place I know you can get authorized training at its best. Excellent Instructors. The best time and money that I have spent."

Charles W, IT Director - IDT Alumni.

"I've shopped many places but at IDT, I found a unique combination of individualized training with personal care backed by unparalleled student services and quality."

Randy W, Network Support Analyst - IDT Alumni

"The most exciting and well-organized lectures delivered by some of the best trainers that I have had. My staff was very happy with the training and it showed that we learned when we went to the office"

Irena E, Chapter Manager - IDT Alumni

**Do you need to update your Skills and make more money?**

**Are you unemployed and receiving benefits?**

**Are you participating on a WIA program?**

**Are you a Veteran or have a GI Bill?**
